

Find Podcasts with iTunes

-Apple and Windows Quick Reference Guide-
-Created by Brian Dvorak, July 2006-

How to Find Podcasts with iTunes

1. Launch **iTunes**
2. Click the **Music Store** link in the **Source** pane
3. Click the **Podcasts** link
4. Click on podcast topics OR type in a topic in the search field and click **Search**
5. Click on desired podcast
6. Double-click a podcast episode in the bottom pane to preview
7. Click **Subscribe** if you wish to receive new episodes automatically
8. Click the **Podcasts** link in the **Source** pane to view your subscribed podcasts

Customize your podcast settings

1. Launch **iTunes**
2. Click **Edit** from the top menu and choose **Preferences**
3. Click the **Podcasts** tab
4. Change settings to your liking
